

Technical drawing of a circular feature. It consists of a large solid red circle and a smaller concentric dashed orange circle. A horizontal dimension line with arrows at both ends spans the diameter of the large circle, with the text "Ø101,00 mm" centered above it. A small red circle with a crosshair is located at the center of the large circle. A vertical dashed line extends from the center of the large circle down to a horizontal dimension line with arrows at both ends, with the text "Ø7,00 mm" centered below it.
